All the gifts on the graph after the gray midline indicate your higher motivational gifts.

WORKING TOGETHER AS HIS BODY

The following are ministry opportunities. With your motivational gifts in mind, consider these and others not included. (If you are involved in a ministry that doesn't seem to match your gifts, don't think you shouldn't be involved.)

In choosing, consider your motivational gifts, personality type, interests, passions, and experiences. When you have chosen 3-5 opportunities for ministry, notify your pastor, a spiritual leader, or ministry coordinator. Then get involved.
